

TOPPS Gives Church a Fresh Start

Lakeland, Florida, spring home of the Detroit Tigers, is also home to Lakeland Christian Church. Established in 1962, the church moved to their present building in 2005. The 2-year-old roof was already beginning to have problems with isolated rust and leaks. Topps was an answer to their prayers. RustArrestor™ neutralized the rust, then RivetGuard™ and Polyprene™ sealed seams and fasteners. The complete TOPPS renewal stopped the leaks and beautified the building.
